EIGHTH CONGRESSIONAL DISTRICT. For Congress: JOHN J. CRITTENDEN.

Public Speaking.

We are requested to announce that S. D. county at the court house to-day at 2 o'clock P. M., on the present aspect of political affairs. Mr. Morris is a candidate for county judge

THOMAS J. HUTCHISON as a candidate Church, which has always been conservative the ensuing May election.

Attention Union Men of Franklin. The following "call" appears in the Yeoman of Saturday:

Southern Rights Meeting .- We are requested to state that there will be a meeting of the citizens of Franklin county, in favor of Southern Rights, and opposed to coercion, held at the court house, on Monday next, at 2 o'clock P. M.

Now we don't know a man in this county who is not "in favor of Southern Rights and opposed to coercion," yet no Douglas or Bell man had anything to do in getting up the proposed meeting.

It is probably an offspring of the rattlesnake club, and is designed to give aid and comfort to the disunionists who propose to precipitate themselves upon this city on the 20th. Let every good citizen, every lover of the Union and his country, attend this Southern Rights meeting, and see that the sentiment of the loyal people of Franklin county is not misrepresented.

It nity and a vindication of its own honor, when the intimation is thrown out that a few disunionists can assemble here by concert and influence its actions. How is the change to be brought about? Isit by bribery or bullyism, or simply by the persuasive eloquence of the few fillibustering politicians

"We can by our personal popularity turn we have to do is take them by the button and ask them to drink; or at most to ovster and wine them once or twice. Or we can by our eloquent tongues and pleasing address George Sanders them into anything we like If these measures fail, we will frighten them by charging them with abolitionism. That will be sure to fetch them.'

If such is not the design of this convention then what is it? We suppose that no one will pretend that a promiscuous mob of fanatics, gathered at random, can tell a rep- long before a French violinist had opened a resentative anything about the sentiment of his constituents. With all the brazen assur- the Santee river!" ances and disgusting egotism of the self-appointed guardians of the "interest and honor of Kentucky," we don't suppose that their impudence would take them quite that far-Since the Legislature adjourned in February, each member has spent forty days in his county, in free intercourse with his neighbors and constituents. Who can know better about the sentiments of the diffierent counties than their respective representatives? Who but a disunion fanatic would assume to know more?

We repeat, that the call of this Yancey convention is not only an insult to the Legislature, but an outrage upon the rights of every good citizen of Kentucky.

If the disunionists of Louisville or of this place desire to call a little meeting for the purpose of raving and ranting, let them call a meeting of disunionists, and let them rave and rant to their heart's content. But when they call conventions of "all in favor of Southern Rights," they must expect to find their disunion projects in bad odor, and ought not to cry if they are voted down, as they were in Louisville.

A. M. Brown, Esq., who has conducted the Paris Citizen with marked ability for several years past, has retired from his posi tion, with a view to making his residence in another State, and is succeeded by its former able editor, Wm. FETHE SECOND VOLUME of the "KENTUCKY FAR-MER' closed with the month of June, and the Third Volume commenced in July last. We promised two years ago to try and give to the Agriculturalists and Stock Raisers of Kentucky a paper worthy of their patronage. Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found

of the following complaints: —
SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AF-FECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PEPSIA AND INDIGESTION, ERYSIPELAS, ROSE or St. Anthony's Fire, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of

life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on

over ten years, and can say, in confidence and ruth, of it, what we have never been able to say of any other medicine—never has it failed in a single instance to effect a cure, when timely used Never did we know an instance of dissatisfaction by any one who use it. On the contrary, all ardelighted with its operations, and speak in term of the highest commendation of its magical effects and medicinal virtues. We speak in this matter "what we do know" after ten years experience and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty

minutes after the Syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILL-FUL NURSES in New England, and has been sned with NEVER-FAILING SUCCESS in

THOUSANDS OF CASES. It not only relieves the child from pain, but inigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole sysem. It will almost instantly relieve Griping in the Bowels and Wind Colic, and overcome convul ions, which, if not speedily remedied, end in death.
We believe it the BEST AND SUREST REMEDY

We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be SURE, yes, ABSOLUTELY SURE, to follow this medicine, if timely used. Besides these investments in stock, &c., the law
of New York requires as additional security, that
\$100,000 shall be deposited with the State Comptroller, to meet any lawful demands which the
